John, I wanted to get back to you on the below. On the call yesterday, I asked you about your current or past connections with these banks and with Mr. Gonzalez, one of the Oversight Board members, not only whether your firm was or had represented them. While I am glad your firm does not represent these financial institutions and/or the two Oversight Board members I mentioned, that does not tell the Committee what current or past connections you have with these institutions or persons. You told us you met Mr. Garcia in 2005, that is one connection. What about the others? Have you met or represented Mr. Gonzalez before (same for the banks), and in what context have you met or represented Mr. Garcia and/or Mr. Gonzalez and/or the banks? Sorry to bother you with these questions but the Committee will insist that I find out given a previous board issue which preceded your involvement. Thank you.

Luc,

The pleasure was mine.

Kobre & Kim has never represented Mr. Garcia, GDB, Santander, or Banco Popular. I myself met Mr. Garcia in 2005, but have not spoken to him in about 12 years.

John

John, thank you for the introductory call today. I apologize for not being able to recall the name of the other oversight board member who was involved at Santander, Banco Popular and GDB (in his prior career). His name is Carlos Garcia. I would appreciate it if you could similarly confirm your lack of current or prior connection to Mr. Garcia. I know the Committee will want to know. Thank you.
